DOUBLE DUTY

A muted splash greeted me as I climbed out from behind the wheel of my squad car, confirming what the graveyard shift dispatcher had told me. Some wise ass had gone swimming after hours. Did the wise ass even live at the apartment complex? Or was it yet another trespasser who had helped themselves to a refreshing dip?

Probably the latter, I reasoned.

The apartment manager was well aware of the issue. I had discussed the matter with her on several occasions. The pool was gated, requiring a 4-digit code for entry. Unfortunately many residents thought nothing of sharing the code with family and friends and even casual acquaintances. This meant any and everybody had access to the pool.

Granted, these sneaky non-resident swimmers were hardly hardened criminals. And I couldn't really blame them. The city was in the grip of a merciless heat wave, one of the worst on record. People, especially those unfortunate souls without air conditioning, were seeking relief by any means necessary.

Still, it was my sworn duty to uphold the law. And I intended to do just that.

Now, my torch beam boring through the darkness between two apartment buildings, I made my way to the pool. I could see the gate ahead. Closing the gap, I turned off the flashlight. Surprise was paramount. I didn't want to give the wise ass time to concoct some lame excuse.

But it was I who received the shock. Crouching there behind the gate, mouth gaping like an idiot's, I could hardly believe my eyes.

The swimmer was my wife!

What in the hell was Traci doing? She was supposed to be in bed sound asleep. Knowing the 4-digit code by heart, I pressed the appropriate buttons, and opened the gate. Her head

broke the water's surface as I approached the shallow end.

She smiled lasciviously. "Hello there, officer."

"What's going on, Traci?"

"What does it look like? I'm swimming."

"I can see that. Why aren't you at home? You don't even live here. You're trespassing on private property. Somebody called the police."

"Of course they did," she said. "And that somebody was me."

I listened intently to Traci's explanation.

It was an eye-opener, to say the least. Her revelations hit hard. Bored, she had said, unable to sleep, and unhappy with our out of synch schedules. It was true, of course. Traci worked days. I worked nights. Quality time together was exceedingly rare. I tried hard to pull double duty as policeman and husband, but all too often the former role took precedence. Sadly, I couldn't even remember the last time we had had sex.

Now Traci reminded me. "Two months. That's ridiculous, especially for young newlyweds like us. We should be fucking like bunny rabbits . . ."

"Why didn't you tell me?"

"I'm telling you now."

"Couldn't you have said something at home? This is rather extreme, don't you think? Orchestrating this whole thing—"

"I wanted to get your attention."

"You definitely have."

"It was easy enough. You talk about rousting outsiders from this property all the time. I knew it was in your beat, knew you would be

40+: Sara Jay has stopped by a photo shoot we are attending. She's visit-

ing the director, who's a good friend of hers.

Sara Jay: Hi there. Let me say hello to Jim and I'll be right back to talk.

40+: Of course, take your time. When she returns, I hand her a note from one of her fans we received at the office.

Sara Jay: For me?

the responding officer.”

I spotted her beach towel, keys, and smart phone atop a chaise lounge. “So you drove over here and phoned the police as a concerned tenant?”

“They should promote you to detective, honey.”

“How’d you get in? You don’t have the code.”

“I jumped the fence.”

“You could’ve hurt yourself, Traci.”

“You’re worth it.”

She untied her bikini top and tossed it at me. I dodged the wet garment, letting it land poolside with a wet smack.

“Get in,” she told me. “The water’s fine.”

I’m a good cop, dare I say one of the better officers on the force. I take the job seriously—always have—and do my damndest to serve and protect the citizenry.

But my professionalism was no match for Traci’s considerable charms.

My wife was a lissome brunette with marvelous tits; that she had gone to such great lengths to be with me tonight served as a major turn on. I was flattered beyond measure, flattered and unable to resist.

Despite the risks, I shed my uniform and joined her. The water felt amazing. Crisp. Refreshing. I went under, gliding to within inches of Traci before surfacing right in front of her.

“Feels good, huh?” she said.

“Fantastic,” I replied.

“How about this?”

Traci’s fingers found my burgeoning erection. She stroked my cock, pumping me slowly as our lips met. I returned the favor, sliding my hand beneath her bikini bottom. Her pussy was a pocket of snug heat within the expanse of cool water. Tasting her tongue, I rubbed her with increasing urgency. I used my other hand to caress and knead her stellar half melons.

“Fuck me, baby,” Traci gasped in my ear. “I want it now.”

She retreated to the blue tile wall. I followed hastily, intending to peel her bottoms. She beat me to it. Her hand, clutching the bikini, broke the surface of the water. She tossed it over her shoulder where it landed beside my radio. Thankfully the thing had remained silent. But this could change, I knew. A call could come in at any moment, an urgent summons requiring

immediate action on my part.

For this reason I wasted little time.

Back pressed to the wall, Traci wrapped her legs around my waist. I lowered my hand and guided my swollen member into her cunt. She gasped when I entered her, gasped and wrapped her arms around me.

I penetrated her hot core. Traci nibbled on my neck; her teeth toyed with my wet flesh as I thrust repeatedly. She moved with me, shifting her hips expertly, taking every inch of my stiff rod. Her breath, hot and ragged, tickled my ear. She was almost there. I managed to outlast her by scant seconds. She was still shuddering with orgasmic bliss when I filled her with jizz.

My shoulder took the brunt of her wail, effectively muffling it. A good thing, I thought. After all, the pool was surrounded by apartment buildings, each and every window darkened; we didn’t want to disturb the slumbering tenants.

I hoped like hell that nobody had watched, at least nobody inclined to file a complaint. Could I be fired for balling my wife on the job?

Maybe.

But I wasn’t worried.

An officer with my outstanding arrest record would surely be given some slack. It wasn’t like I had neglected my duties. My radio had remained blessedly silent throughout the entire episode. It wasn’t until I had climbed out of the pool and started drying off with Traci’s towel that this changed.

The dispatcher’s familiar voice kicked me into high gear. I dressed hurriedly. “Duty calls,”

Sara Jay: (reads softly) “All I can say is WOW-WEEE Sara Jay. What a stunner you are. Beautiful and uninhibited. If I ever get to know a woman like you, I’ll for sure think of you. Lately I’ve had the good fortune to sleep with a couple of voluptuous women, one even knew of you and said she was flattered to be in the same breath as you. I’m a big fan, and even though it’s not much, I hope you will get my note.”
Brad P.

Sara Jay: That’s so sweet. Can I have?

40+: Of course. We have more and I’ll send them to you.

Sara Jay: Yes, please. I love my fans. Besides the sex, that’s why I’ve stayed in this business this long.

I told Traci over my shoulder, already rushing to my squad car.

— Lou M., Cleveland, OH

QUICK TO THE DRAW

About four years ago I decided to go back to summer school to further my education. It turned out to be a lot of fun. I thought it was such a cool thing that I decided to enroll in night school this September and see that that was all about.

I took an art class because I thought the most liberal girls would be in it, and was I right. There were three of them and one was married and a couple had kids but no husbands. As far as I was concerned, they were all fair game.

I was drifting off in class, trying to fall asleep when I hear, “Eric, quit staring at my butt?” That was Kylie, the blonde MILF that sits right in front of me. “I’m not, but you know your ass is so hot.” She turns around and giggles at me. I pick up the sign this time and after class invite her for coffee.

We go to the Unholy Bean and find a small sofa to sit at. I get the drinks and we get to talking about our lives – then our sex lives. She says her boyfriend has a small cock. She thought it was cool at the start because she could easily get it all in her mouth, but when it never got any bigger, it never satisfied her pussy. She asks me what my size is and I brag that it’s eight inches. Not bad for a 40-something guy.

She leans over and looks at my crotch and says let me see it! She reaches down but I stop her. We’re in a public place, I thought. But now the damage was done. My penis starts to grow in my pants. I wanted to take it out and show her but I didn’t.

She suggested we go back to my place so she could see it. How could I refuse, horn dog that I was. We get to my place and park it on the couch. “I gotta get home soon, so let me see it.” she says. Immediately she unbuttoned my pants and pulled them down. She grabbed it, and when she saw it perk up after fingering it for a second, she started asking me all sorts of questions because she said her man had lost interest in sex.

I told I hadn’t, as she could see from my now seven-inch-on-the-way-to-eight-inches cock. She giggled some more when I asked to see her boobies. She unbuttoned the front of her shirt and there they were, full and round in her bra. I took off her shirt and went to take off her bra when she looked at me smiled and turned around. She told me I should take it off for her.

After that I took off her panties and started to rub her clit. She told me to rub faster so I rubbed faster, my tongue darting in and out of her pussy. She seemed to really enjoy it so I went faster until she said watch, out but that turned me on more so I kept licking. When she came she screamed. I lapped up her pussy juice but left plenty for lubrication. She turned around and grabbed my cock and shoved it in her pussy only once to get the juices all over it, then she started work her magic. Her hands were way better than mine, softer, more tender, more attentive. Then she started making rings around the head with her tongue. Within three minutes of this attention, I managed to get a “I’m cumming!” out of my mouth but she sucked on it until I was screaming in pain because of how tender it got.

But she couldn’t stop. I could only watch as her tongue circled the head once more being sure to get under the rim, searching out every last drop. When she finally was satisfied, she hurriedly got dressed and headed for the door. “I gotta go right now.” she said. “I’m gonna give my boyfriend the best blow job he’s ever had.” Damn, and there wasn’t a damn thing that I could say to that?

— Geoff K, St. Louis, MO

40+: *Doesn’t look like we’ll have enough time to get into your sex life, so may I see you again soon and you can tell me about it? I’d love to hear!*

Sara Jay: I’d love to, but only if you bring me more fan mail. I try to answer most of them, but I do get some real doozies, too.

40+: *I bet you do. I’ll let you get back to it and look forward to seeing you again.*

Sara Jay: Bye, handsome. (giggles)

I've always been told I've got real spunk, but all I want is to be covered in the stuff. It's so awkward telling my partners that I just want their cum all over me. In my mouth, my hair, and my tits. I just love seeing my body looking like a toaster strudel.

Housewife Hustle

Taking work from home to a new level

Some time ago, the headlines were screaming the scandalous news: In a prosperous, middle-class community on New York's Long Island, a prostitution ring had just been busted. The organization's madam, along with several attractive call-girls ranging in age from their early twenties to mid-thirties, was all in custody.

But call-girl agencies are busted all the time, and they hardly make good front-page news, even in local papers. What made this ring special and newsworthy was the fact that all of those arrested were "respectable," married, upper-middle-class women.

What sort of pressures turn beautiful, sheltered, prosperous ladies into sluts for hire; women who would take on any and all comers and perform all manner of natural (and unnatural) acts with any stranger who can give them the time and money? At the time, the question on most people's minds was whether that Long Island prostitution ring was just some kinky quirk, or part of a strange new pattern.

"Sure, that ring of whores that just got busted was unusual," says Trudy (not her real name). "And I'll tell you how those girls were unusual too. They were dumber than the rest of us; they must have been. After all, they got busted!"

Trudy is a voluptuous brunette with ample, firm breasts, long, shapely legs, and an ass that just begs to be grabbed and fucked. She lives in a community just southeast of the area that was the focus of the sex scandal mentioned above. Tru-

dy's husband Frank is a junior corporate lawyer. Her young daughter is enrolled in a local private school.

Outwardly, Trudy is the model of young, upper-middle-class respectability. But on three or four weekday afternoons, while her daughter is in school, Trudy dials a certain unlisted number and informs the sexy, female voice at the other end that she is "on call." Then she hangs up and waits.

Within 15 minutes on most days, the phone will ring and Trudy will be sent to a nearby home, motel room, or business office. There she will meet some stranger with the upwards of 150 dollars necessary to pay for 40 minutes of her sexual time. The man in question will hand her the agreed-upon rate, and then Trudy then becomes his partner, to sexually use as he sees fit.

"The other day I had a rather interesting call," she says with a smirk. "I was sent out to see this guy in a motel, a 'Mister Smith.' Well, maybe he'd registered as Smith, but I happened to know his real name. How did I know? Well, I had just seen him at my friend's younger sister's high school graduation six months ago. You see, he happens to be the principal of the local high school. I can understand why he wanted to be called Mister Smith, though. I guess it would be bad for his image as an authority figure if word got out that he likes being dressed up in women's underwear. I didn't mind, though...especially since he wanted to sit squatting down on his knees in front of me and lap my pussy clean until I came."

There she will meet some stranger with the upwards of 150 dollars necessary to pay for 40 minutes of her sexual time. The man in question will hand her the agreed-upon rate, and then Trudy then becomes his partner, to sexually use as he sees fit.

BLAIR-NTS-00

After the boss had first crack at me, I had to do every single one of those guys. They let me stay in the cubicle at first, and came in to be with me one at a time. Some just wanted a good sucking, but others needed to have me fuck them.

Trudy says she enjoyed that particular session very much; so did the other girls she told about it. The very discreet and exclusive escort service that first recruited Trudy six months ago was through her best friend.

"Stef and I have been friends for at least 12 years...since junior high," Trudy says. "She told me a while ago that she was doing this sort of high-class whoring thing...you know, just to supplement her income. Frankly, I can afford all the clothes I need but the stories Stef would tell me about tricks she turned—the sex scenes she got into—I have to admit they sounded outrageous.

"I found that when I was home alone masturbating (I like to frig myself off in bed after Frank leaves for work and my daughter's off at school, that's when I was back in bed naked and playing with myself. I'd be rubbing my stiff, wet clit to fantasies about things Stef had told me. I'd be lying there alone and imagining I was on my knees, getting fucked by one guy while another one jerked off into my mouth, and a third stood nearby cursing and saying vulgar things. Stuff like that; what Stef had told me about that had actually happened to her in motel rooms and back offices and what not. And after a while I realized, 'what the hell...why should I just fantasize about something I find so exciting, when I could actually be doing it?' So I asked Stef to turn me on to the escort service she worked for, and she did.

We were already fairly certain that we understood Trudy's motivations for becoming a week-day whore, but when we asked her directly she spelled things out in a straightforward fashion. "Like I said, I really didn't need the money. But I did need the sexual excitement of the whole scene. Frank is a great guy and a great husband, but to tell you the truth, sex had become kind of boring.

"But I remember the night after my first day of work. My very first job had been to 'do' a small business lunch in a nearby town. Soon I was in the private back room of this really ritzy Italian restaurant. In fact, it was one I had been to the week before with Frank! There were about half a dozen businessmen sitting around, ranging in age from early thirties to late forties, and really

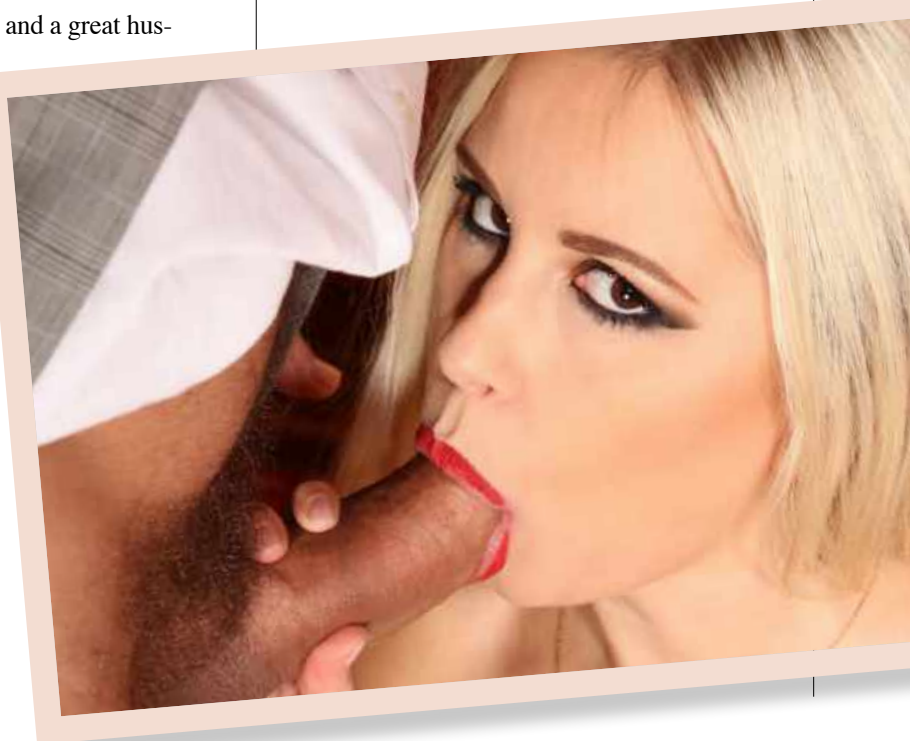

nice.

Well, first it was the boss, whose birthday it was. They made me take him into a separate little cubicle and suck him off until he shot his wad in my mouth, and that was just the beginning. After the boss had first crack at me, I had to do every single one of those guys. They let me stay in the cubicle at first, and came in to be with me one at a time. Some just wanted a good sucking, but others needed to have me fuck them. And one made me squat as he fucked me up the ass. That was my first assfuck too. I never used to let Frank do that to me.

"But then afterwards they took me back out into the dining area and sort of spread me out on a side table. That's where I got banged and mouth-fucked two at a time. They were pretty drunk by then, and all their inhibitions had gone out the window. But that was okay, because mine had too. I had a really wild time with those guys. I even came a couple of times myself!

"But the really strange thing was I went home after the session and took a nap. Then I got up right before my daughter's school bus dropped her off, and showered. That evening at bedtime, I gave Frank the fucking of his life. That's right, I banged him so good he was almost crying by the time I sucked him into his third orgasm of the night! He was howling when he fucked me all the way to my fourth big O of the night.

"In other words, my work as a pro has had a tremendously good effect on my sex life with my husband. It has somehow reawakened my sexual interest in him, as well as doing wonders for my sex technique. After all, anything you practice three or four afternoons a

week, you're just bound to get good at it."

Trudy's story is typical of what we've heard from many middle-class housewife whores. Women of Trudy's type aren't particularly interested in the economic aspect of prostitution. They approach the world's oldest profession from a certain point of view.

They find that prostitution reawakens them as women, gives them a new sense of power and sexual progress, which had been falling off during their years of marriage. In short, prostitution for such women is nothing more than a kind of "fore-play," enhancing their sex lives within the confines of their traditional, middle-class marriages.

But we also found another, much bigger housewife-as-whore issue. Sherri is blond and full bodied. But her angelic face belies her chosen side hustle. Sherri's husband works on an assembly line, but his income, in this age of inflation and uncertainty, is barely adequate to support their two young children. So twice a week, and totally without his knowledge of course, Sherri goes out on calls for an escort service.

Sherri says, "It took me a long time to make my decision. But one day, when I was watching my husband stressing over our unpaid bills, I realized to myself about how I really love Bill and all the hard work he does for his family. And I realized that he was too proud to let me get a job to help with the bills, but I couldn't stand to see him killing himself like that.

"So I called up my girlfriend Rose, who had once told me she picks up a few bucks by selling some pussy, and I asked her to help me sell some of mine. Rosie's a real good friend, and she knew the best way to ease me into The Life was to start me out on an easy call. So she took me with her on a call, and boy oh boy, believe me it was the nicest session you could imagine, especially as a first.

"Her client was this guy who was so rich he liked to hire four or five women at a time. So there was practically a whole army of us there at her place. And get this: The rich guy we saw, he was this executive; a real hotshot type, young and handsome and loaded, while my Bill on the assembly line was breaking his chops for his lousy paycheck.

"And guess what this guy wanted? To be told what to do. That's right; he was so busy fucking his workers over all day, in his sex life he liked to have chicks push him around. The only thing that bothered me was, when we finished working this guy over, I saw he had shot a whole thick puddle of sperm all over her rug. There I was, saying to myself, 'this one's for Bill,' and there was this rich jerk actually getting his rocks off on my hard

work. Oh well, at least I got paid better per hour than they pay my Bill."

Sherri says she also does straight fuck-and-suck sessions, although she will only do men one at a time. She claims she gets too uptight if she is asked to take one a group scene where more than one guy at a time wants to have sex with her. "The idea of one dick in my mouth and another in my cunt, and both these guys pumping in and out of me, that makes me feel too...I don't know...unclean or something."

But Sherri does do at least three play-for-pay sessions per week. She says that Bill hasn't asked any questions and only comments positively about how well she's been able to balance their budget lately. Curiously though, she also says that sex between her and her husband has gotten remarkably "hot" since she started banging for bucks.

It would seem then, that while many different housewives approach the field of sex for hire from different directions, and for radically different reasons, they do end up having much in common. Being compensated directly for their sexual favors seems to give many women a new sense of their own power as women, along with a new confidence in themselves as sexually desirable people.

Archaic laws against prostitution may continue to cause scandals, as prostitution rings high and low are forever being unearthed for the benefit of police-arrest statistics and politicians' brownie points. But it hardly seems likely that all this public furor will succeed in stopping women—especially housewives from all economic levels—from the thrill of being paid for their sexual services.

Her client was this guy who was so rich he liked to hire four or five women at a time. So there was practically a whole army of us there at her place. And get this: The rich guy we saw, he was this executive; a real hotshot type, young and handsome and loaded...

SHAY

Shay got back from her afternoon tanning session. Her perfect body isn't going to get beach ready on its own. The warm sun beating on her skin, the cool air slipping under her bathing suit. But there's no sun inside her bedroom. But the warmth stayed with her and drew something sexual to the surface, something that needed a dildo's attention.
